Fax: 91-11-23340895, Email: rfi@rotaryintl.org

- Progress reports are required by 31 May for the period ending 31 March.
- A final report is required within two months of the full expenditure of grant funds.
- Audited accounts, with original receipts and vouchers, must accompany each 31 March and final report.
- Keep a copy of each report for your records, and retain all records for eight years if original documentation is not being sent to RF(I).

The Primary partner Rotary Clubs/districts must submit Progress Reports every twelve months during project implementation. The Final Report is due two months after completing the Project.

Project Information

Matching Grant Number: 65153 Project Country : India

PROGRESS REPORT FINAL REPORT REPORTING PERIOD-FROM 05.03.2008 TO 10.07.2008

Host Partner Rotary Club: Guntur District: 3150

International Partner Rotary Club: R.C. Palermo-Parco delle Madonie District 2110

Project Narrative

1. Briefly describe the Project.

a. What were your original objectives ?

The project is to provide 21 Bore wells in villages.

b. What was actually accomplished?

Rotarians of Guntur were able to execute the project as per the original objectives. They were able to overcome the general failures in digging inspite of the soil test etc. Their discipline in planning and execution brought laurels both to the project and also the Rotarians. They proved their power of implementation and were able to achieve the target.

c. When and where did the project take place, and who were the beneficiaries?

The Project was implemented in the Rural areas of Guntur Dist.. Where there is acute shortage of water. The beneficiaries are the villagers who were facing hardships of water shortage.

2. Scope change, if the project was changed, how and why was it changed?

The scope of the project was not changed.

Rotarian Involvement and Oversight

3. How did Rotarians manage and oversee the project?

The Rotarians of R.C. Guntur actively participated in the project. They assisted the surveyors in identifying the places where the bore wells could be of most useful to the beneficiaries. They supervised & monitored the project with the help of the beneficiaries.
